

MEMORIAL POLICY

The Gunflint Trail Historical Society (GTHS) welcomes monetary contributions in memory of loved ones. Upon receipt of such gifts, a recognition page will be created in consultation with the donor and published in the museum's Memorial Book, ensuring a living memory.

The GTHS recognizes that some seek to place a physical remembrance of loved ones on the Chik-Wauk Museum and Nature Center campus. To honor that wish, a memorial plate of the GTHS design may be placed on assets identified by The GTHS for a defined period of time. Text of the plate shall be limited to "In Memory of" and the name of the individual. A schedule of available placements, the minimum suggested monetary memorial donation, and the expected duration of the memorial is published on the GTHS website. A gift agreement between the GTHS and the donor is required to document all commitments.

Due to its relationship with U.S.D.A. Forest Service and the State Historic Preservation Office, the GTHS cannot accept requests or gifts for physical memorials or honoraria other than those on the schedule. The GTHS reserves the right to refuse any such memorial in its sole discretion.

Schedule of Assets Available for Name Plates

Item	Location	Timing of Availability	Suggested Donation	Anticipated Duration
Observation Deck #1		Subject to Forest Service approval and Construction	\$10,000	10 years
